

Application for the SOC Accelerated-Learning Program

High-achieving students are able to work with others of similar abilities in the areas of English, Mathematics and Science, while remaining with peers of the same age in the other classes. The Accelerated Program ensures these students are challenged: they are offered opportunities to explore material in considerable depth and to apply high-order thinking skills to appropriate tasks.

Only students who are currently in Year 6 and have selected South Oakleigh College as their first preference are eligible to apply for this program.

To register your child for testing and consideration for the program, please complete **both** the online [Accelerated Program Application](#) and the [Edutest Registration](#) by 26 June 2020.

Edutest details:

SOC entrance test:	Edutest
Testing time & date:	10am - 1pm on 22 August 2020
Cost:	\$32.50 (please note the School has heavily subsidised this test to make it equitable for all applicants)

Advantages of the program

- Students are challenged in their learning and are therefore more motivated and productive in class
- Students have the opportunity to study two VCE classes in Year 10
- Students will enter VCE with advanced skills
- Students can study their subjects in more depth
- Students will have the opportunity to participate in a University Year 13 subject during their Year 12 year

Any revised testing arrangements that may become necessary due to COVID-19 will be communicated to those who have applied by the deadline: 26 June 2020.

South Oakleigh College Scholarships

Scholarships are available to Grade 6 students who have demonstrated outstanding results and commitment. Each of the three scholarship categories are awarded to successful applicants on the basis of a written application, a folio of work achievements, an interview; and, for those applying for an Academic Excellence scholarship, a test. Students may apply for more than one category of scholarship.

A folio of work achievements supporting your application will be required at your interview.

The three categories are:

Academic Excellence: Scholarships are available for students with an exemplary academic record who have demonstrated outstanding application, aptitude and achievements in Mathematics, English and other subjects. To be considered for this scholarship, students must sit the South Oakleigh College Accelerated Program test.

Sport: This scholarship is awarded on the basis of the student's achievement profile. It is aimed at students who have shown outstanding sporting skills and potential as leaders, as well as a strong work ethic and willingness to participate in all aspects of College life.

The Arts: This scholarship is awarded to students who have demonstrated a strong commitment and sound ability in any of the Arts including: Music, Drama, Dance, Fine Arts and Multimedia. A strong academic performance in core studies is also required.

Please complete the [Scholarship Application](#) to register your interest.

Applications close 26 June 2020.
