South Oakleigh College 2020 Parent Payment Charges

Year 10 Charges 2020

Please find the itemised list that includes essential education items (those items that your child needs for school).

South Oakleigh College makes every effort to keep the cost and number of items that need to be purchased to a minimum. We also try to ensure that the costs are affordable for all parents. If you have difficulty making payments please make an appointment to speak to (Principal/Assistant Principal/ Business Manager) to discuss possible support options and flexible payment arrangements. Any information about your financial circumstances, payment arrangements or status will be kept strictly confidential.

Please Note: Additional school charges may arise during the year, e.g. excursions.

Note: Parents may choose to provide or purchase some items themselves (Subject Selections). If you choose to do this you must consult with the school so that your child has the right items. There may be some items or services you cannot purchase yourself (Student Materials and Service Charges).
