

4 August 2021

Dear Parents and Guardians,

Firstly, on behalf of the principals, staff and students of our school we would once again like to welcome you to the South Oakleigh College community as part of the Class of 2027.

The South Oakleigh College Accelerated Learning Program is a highly sort after program and many students participate in the entrance test each year.

The program is designed to provide a learning environment where students can excel, and we recognise that students have individual needs both academically and socially.

The program seeks to challenge and extend high-achieving student and foster the development of high-order thinking skills so that our students can gain a deeper understanding of topics studied in Mathematics, English and Science.

Families can register for the EduTest using the URL:	https://aus.edutest.com.au/D/?t=4RSM479J
Cost:	\$40
Applications Close:	Thursday 26 August 2021
Date of Test:	Saturday 4 September 2021

Please note: If you have sat the test elsewhere, you still need to register via the URL above:

This testing process will be conducted by the EduTest Company's administrators at our school on the date mentioned above.

The College will also use Progressive Achievement Testing (PAT) as an additional source of data to support placement into our Accredited Program. All students applying for the Accelerated Program are expected to complete these Tests in Term 4 at a date to be confirmed.

Once we have received all test results, we will make selections based on achievement. Successful students in each learning area will be offered a place in the Accelerated Learning Program by the end of November.

If you have any queries, please do not hesitate to contact me on sara.robertson@education.vic.gov.au

Sincerely,

Sara Robertson
Director of Curriculum and Digital Pedagogy Leader

Mark Picone
Assistant Principal
