

Child Safety Code of Conduct

South Oakleigh College is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviours and situations. It is intended to complement child protection legislation, Department policy, school policies and procedures and professional standards, codes or ethics as these apply to staff and other personnel.

The Principal and school leaders of South Oakleigh College will support implementation and monitoring of the Code of Conduct, and will plan, implement and monitor arrangements to provide inclusive, safe and orderly schools and other learning environments. The Principal and school leaders of South Oakleigh College will also provide information and support to enable the Code of Conduct to operate effectively.

All staff, contractors, volunteers and any other member of the school community involved in child related work are required to comply with the Code of Conduct by observing expectations for appropriate behaviour below. The Code of Conduct applies in all school situations, including school camps and in the use of digital technology and social media.

- understanding and complying with all reporting or disclosure obligations (including mandatory reporting) as they relate to protecting children from harm or abuse.

- if child abuse is suspected, ensuring as quickly as possible that the student(s) are safe and protected from harm.
