

Dear parent/guardian,

South Oakleigh College is looking forward to another great year of teaching and learning and would like to advise you of South Oakleigh College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, your support has allowed us to:

- Offer a wider range of subjects and special curriculum experiences for our students across all year levels.
- Enhanced digital learning opportunities.
- Provide resources for a wide range of student clubs which meet at lunchtime.
- Upgrade our buildings and grounds including upgrade gym change rooms and toilets, locker bay project, synthetic grass, DLC agora/meeting space.
- Improve WIFI and internet.

The Department of Education guidelines now mandate that schools are unable to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule attached for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Helen Koziaris
Principal
