RATIONALE

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the college community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the uniform dress code.

AIM

- To promote equality amongst all students.
- To further develop a sense of pride in and identification with our college
- To provide durable clothing that is cost effective and practical for our college environment.
- To maintain and enhance the positive image of the school in the community.

IMPLEMENTATION

- In consultation with the college community, the College Council endorses the South Oakleigh College regulation uniform as its dress code. This provides choice for the students, allows for students to safely engage in the many varied college activities, and caters for the financial constraints of families
- Students are expected to keep a neat and tidy appearance at all times
- The uniform code applies during College hours, while travelling to and from the College, and when students are on College excursions
- The South Oakleigh College regulation maroon blazer must be worn as the outer garment when travelling to and from school and also on all excursions. The College jumper is not permitted to be worn as the outer garment when travelling to and from the College at any time
- South Oakleigh College regulation summer and winter uniforms are required to be worn. No additional items of clothing are permitted to be worn.

Note that the prescribed summer uniform is required to be worn from the start of the College year until the end of term 1, and for term 4. Winter uniform is to be worn for terms 3 & 4. Note that students are not permitted to combine winter and summer uniforms

- Length of girls' summer dress and winter skirt should be between knee length and no more than 6 cms above the knee
- Year 12 students may wear the approved Year 12 commemorative garment during casual dress days and interschool sporting days only. Note: the approved Year 12 commemorative garment is of a design chosen by student vote and embroidered with appropriate names for each Year 12 student, as approved by the Uniform Committee. Please note, the Year 12 Commemorative garment is to be worn in conjunction with South Oakleigh College Academic Uniform.
- School blazers and ties are expected to be worn during the school photo day.
