

Sport and Excursion Permission Form

Dear Parents and Guardians,

South Oakleigh College values the importance of promoting students' learning experiences beyond the classroom; as such, several excursions across the school year have been organised to support the content being taught within the College Curriculum. Excursions form an integral part of providing an engaging curriculum and are compulsory events.

Details of all scheduled excursions will be communicated to parents via Compass at least four weeks prior to the excursion taking place. In some circumstances this may vary. Parents can pay for excursions through Compass or at the General Office.

All details relating to an excursion that your child may be attending can be viewed on Compass as they arise. Should you have any questions regarding a scheduled excursion, we ask that you contact the staff member responsible for organising the excursion.

By completing the slip below, you provide consent for your child to attend all sporting events and scheduled excursions in all Learning Areas during your child's time at South Oakleigh College.

We look forward to continuing to provide your child with engaging learning experiences both inside and outside of the College.

Yours Sincerely

Helen Koziaris
Principal

Anthony Katsianos
Assistant Principal

Mark Picone
Assistant Principal
